

Austin Independent School District Seeks a Superintendent Who:

- ... is able to lead a large organization dedicated to achieving ambitious goals that will increase student achievement across all demographic groups, with a track record of making strategic decisions that consider both immediate needs and long-term goals and of creating systems and budgets to ensure long-term success
- ... has demonstrated leadership and success in processes that center equity, inclusion, and diversity, including diversity of race, socioeconomic status, ability, language and other measures that are important factors for success
- ... inspires trust and models high standards of integrity and ethical behavior and creates a safe environment for
